ACADEMIC SCHEDULING

Adding and Dropping Courses

A student may add a course during the first seven working days of a semester and/or drop a course during the first six working days of a semester. The class instructor's signature is required. For all freshmen and sophomores (less than 61 semester hours earned) both the instructor's signature and the signature of the Academic Advisor are required.

Auditing Courses

Students interested in auditing a course (attending classes and receiving no grade or credits) must declare their intentions by completing an *Audit of Course* card found in the Academic Records Office prior to the end of the add period.

Course Load

A student's normal academic work load is defined as 12 to 18 credit hours. Any student who wants to carry more than 18 credit hours must have a 3.0 cumulative Q.P.A. A student who wishes to schedule more than 18 credit hours who does not have a 3.0 cumulative Q.P.A. must submit a *Petition* to the Provost for permission. To add more than 18 credits contact the Academic Records Office, 112 South Hall.

Repeating Courses

An "F" grade in a required course must be cleared by repeating the course. Students who are repeating a course should complete a *Repeating Course Declaration* form available in the Academic Records Office.

Withdrawing from Courses

Students can withdraw from a course after the drop period and before 4:00 PM on the Friday of the ninth week of classes. Forms are available in the Academic Records Office. The class instructor's signature is required on the form. For all freshmen and sophomores (less than 61 semester hours earned), both the instructor's signature and the Academic Advisor's signature are required. Forms must be submitted to the Academic Records Office by 4:00 p.m. on the deadline date.

Withdrawing from the University

Students who wish to withdraw from the university may do so by submitting a *Withdrawal From The University* form to the Provost's office. This form is available in the Office of the Provost as well as the Academic Records Office.
